Submission Form
www.sissyfrissys.com

1. Type of Submission

 Monthly Single Submission

2. Web Page URL: _____

3. Title of the Web Page: _____

4. Submission email address: _____

This is the email that will be used as part of the submission program, and not for any communication with you. It can be used to collect the automatic replies of the search engines that follow the submission process. For this reason, we highly recommend setting up a dedicated email address for this purpose only.

5. Type of Web Page:

 Business Personal Academic

6. Description

We have you enter three descriptions for this page because unfortunately, there is no standard for the description length used in search engines and directories. Some limit the description to 25 words, while others may allow for as many as 35 words. Therefore, there are three different fields to enter descriptions of your web page so that Sissy Frissy's can provide the description in the right length for every search engine and directory.

Enter short description (18 words recommended, no more than 25):

Enter normal description (142 letters recommended, no more than 160):

Enter long description (no more than 35 words):

7. Keywords

Finally, please enter up to 10 keywords or short phrases. Many of these words should be repeats of the words you provided in the descriptions on the previous page. Please use no more than 30 characters per entry. Consider your location, what you think people will type in the search engine when they are looking for you.
